REQUEST FOR STATE AND FEDERAL CRIMINAL HISTORY RECORD CHECKS

Criminal history records checks for federal and state convictions are periodically conducted as a required of all persons providing services to and/or receiving clinical/instruction from Kaiser Permanente. Information requested here is needed to make determinations as to whether any conviction has a bearing on your fitness to provide services or eligibility to receive clinical instruction at KP. Convictions, other than those noted on the application will not automatically disqualify you, however, a suitability investigation may be conducted depending on when the conviction occurred and the type of conviction.

As a general rule, individuals with a conviction that bears a relationship to the position and/or service area that falls within the past 10 years (excluding periods of incarceration), may render you unsuitable. Also, certain convictions such as an assault on a patient are automatic grounds for disqualification. During this suitability investigation period, you may not at the discretion of the training facility be allowed to perform clinical instruction until the investigation is completed.

PART I FULL DISCLOSURE

Have you ever been convicted of a violation of law? Yes No

Note: In answering this question, you must report all convictions. **DO NOT** report the following:

1. Arrests not followed by convictions
2. Convictions which were annulled or expunged
3. Offenses for which you were tried as a minor

If you answer YES to the question above, use this space to provide the dates, nature and circumstances of the conviction, the sentence imposed and its current status and any other relevant information you wish to provide.

PART II PERSONAL DATA

FULL NAME _____

(please include any alias (es), Former names, maiden name)

Address: _____ City _____ Zip _____

Social Security No: _____ Date of Birth _____

Place of Birth _____ Gender: FEMALE MALE

ACKNOWLEDGE OF RELEASE:

I certify that information provided in PARTS I AND II of this form is true and correct. I understand that providing my social security number is voluntary and to be used for clinical instruction purposes. I also consent to criminal history record checks, which may include fingerprinting. I understand that any consideration for clinical instruction is contingent and/or omission of my conviction information in PART I of this form, I acknowledge that such action would deem me unsuitable for clinical instruction at the clinical facility.
